

# 21<sup>st</sup> Annual Elder and Disability Law Symposium

Presented in cooperation with the NJSBA Elder and Disability Law Section

**NJICLE's Annual Elder and Disability Law Symposium is a unique program for truly every Elder and Disability Law attorney.**

The program will begin with an update on the laws involved in this practice area, including the Medical Aid in Dying Act. After you get the latest on the law, you'll have the opportunity to select from a series of "no-fluff" workshops geared to your specific level of practice, featuring segments for novice, intermediate and seasoned practitioners. Led by experienced practitioners, each workshop will provide essential information and key practice tips on handling government benefits planning, as well as the financial, medical and long-term care management of the elder and disabled client. The program will conclude with an essential primer on the ethics of Elder and Disability Law.

Register today and look forward to the opportunity to meet and network with colleagues from the elder and disability law bar.

**Register today to attend one of New Jersey's most important elder & disability law events, featuring top experts and topics, like:**
